Mark Pieloch's lifelong dream
honors the muscle car machine.
A building, strong and tall,
hurricane proof with a stone wall.

Cars of many colors are found,
automobile memorabilia surround.
Mustangs, Porsches, Yenkos, too
A large pink high heel car shoe.

Pedal cars from years ago,
outdoor motors fast or slow,
tractors and a VW bus are seen,
under neon signs, they gleam.
American Muscle Car Museum

Mark Pieloch's passion,
muscle cars of high fashion.
Here the car world unfolds,
as automotive history is told.
